ABOUT THE COLLEGE

Velammal Institute of Technology, established in the year 2008 with the objective of providing quality technical education with sufficient industrial exposure, caters to the need of the youth with its innovative teaching methods is a part of Velammal Educational Trust. Apart from interactive classroom scenario, periodic guest lectures/seminars by experts from industries and academic background provide thirst to the students to learn and prepare for the ready-to-serve industrial requirement with uncompromised professional ethics. Velammal Institute of Technology has been approved by the AICTE, New Delhi, affiliated to Anna University, Chennai.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering is one of the pioneering departments of the institution that offers B.E. Degree Programme in Electronics and Communication Engineering and M.E. Degree Programme in Embedded Systems Technologies. It is committed to the cost of quality education in Electronics and Communication engineering that forms the basis for all the other fields. It provides good theoretical foundation through high quality teaching complimented by extensive practical training. The Department comprises of dedicated faculty members all actively involved in research and in carrying out projects besides teaching.

ABOUT THE CONFERENCE

The National Conference on Recent Innovation in Signal Processing and Communication organized by the Department of Electronics and Communication Engineering, Velammal Institute of Technology, Panchetti, Chennai, on April 13, 2016 aims to provide a platform for academicians, Researchers, Students and Professionals from Industry to present their research works and to be a stage of exchanging knowledge in the fields of Information and Communication Engineering. The invited speakers for this Conference are from the prestigious institutions.
