## PRAYER

### தமிழ்த்தாய் வாழ்த்து

நீராரும் கடலுடுத்த நிலமடந்தைக் கெழிலொழுக்கும்  
சீராரும் வதனமெனத் திகழ்பரதக் கண்டமிதில்  
தெக்கணமும் அதிற்சிறந்த திராவிடநல் திருநாடும்  
தக்கசிறு பிறைநுதலும் தரித்தநறுந் திலகமுமே  
அத்திலக வாசனைபோல் அனைத்துலகும் இன்பமுற  
எத்திசையும் புகழ்மணக்க இருந்தபெருந் தமிழணங்கே!

தமிழணங்கே!

உன் சீரிளமைத் திறம் வியந்து

செயல் மறந்து வாழ்த்துதுமே! வாழ்த்துதுமே!

வாழ்த்துதுமே!

- மனோன்மணியம் பெ.சுந்தரம்பிள்ளை

## PLEDGE

India is my country;  
All Indians are my brothers and sisters;  
I love my country and  
I am proud of its rich and varied heritage.  
I shall always try to be worthy of it.  
I shall give my parents, teachers and all  
elders respect and treat everyone with  
courtesy.  
To my country and my people,  
I pledge my devotion.  
In their well being and prosperity alone  
lies my happiness.

## SCHOLARSHIP

Name of the Scholarship / loan	Instituted by	Awarded to	Conditions (if any)
Govt. of India National Scholarship	Director of Collegiate Education, Chennai	Students	-
Govt. of India Educational loan	Director of Collegiate Education, Chennai	Students	-
National scholarship to the children of school teachers	Director of Collegiate Education, Chennai	Students	Children of school teachers
Govt. of India Postmatric scholarship	Director of Adi- Dravida & Tribal Welfare Office	SC/ST Students	Annual income of the family not exceeding Rs.50,000/-
Gandhi memorial scholarship	Director of Adi- Dravida & Tribal Welfare Office	SC/ST Students	Meritorious students in the previous year of study
Adhoc merit grant	Director of Collegiate Education, Chennai	1 Year SC/ST Students	Students securing 60% & above in the HSC or equivalent exam.
Adi- Dravida welfare loan	Adi- Dravida & Tribal Welfare Dept.	SC/ST Students	Students residing in the hostel
BC/ MBC scholarship	Director of Backward Classes & Director of Most Backward Classes	BC/MBC Students	Annual income of the family not exceeding Rs.50,000/-
Free education to BC/ MBC/ DNC	Director of BC, MBC & DNC	BC/MBC/DNC Students	No member of the immediate kith & kin is a graduate.
Agricultural scholarship	DOTe	Wards of Farmers	As per DOTe norms
Velammal Merit Scholarship for Economically poor students	Velammal Educational Trust	Eligible students in academics & sports	As per Velammal Educational Trust norms

Students should approach the officer student affairs/ Administrative officer for further information.

### AWARDS FOR TEACHERS

Staff producing excellent results in their subjects is awarded the following incentives

95% and above:

Critical subject - Rs 2000/-

Non Critical subject - Rs 1500/-

100% - Rs 3000/-

To recognize the continued service of the staff in the college, the management awards a prize of 1 gram Gold Coin - 5 yrs service completion.

Rs 5000/- - 10 yrs service completion.

Rs 10000/- - 15 yrs service completion.

- Staff achieving 100% attendance in an Academic Year will be rewarded a 1 gram Gold coin

### AWARDS FOR STUDENTS

Founder Chairman Scholarship

Academic

9 above CGPA - Rs10000

8.75-8.99 CGPA - Rs3000

8.50- 8.74 CGPA - Rs1000

#### **Punctuality**

- Students getting 100% attendance in an Academic Year will be rewarded a cash prize of Rs.500/-

**DEPARTMENT OF COMPUTER SCIENCE  
& ENGINEERING**

### **VISION**

To create successful engineers with technical competency and innovative ideas in the field of Computer Science and Engineering.

### **MISSION**

1. To achieve academic excellence through effective teaching-learning process to meet the demands of the industry.
2. To equip students to face the challenges in the field of Computer Science and Engineering and prepare them as responsible engineers with human values.
3. To enrich students with required skills for employability, entrepreneurship and pursuing higher studies.
4. To encourage the students to implement innovative ideas for research and development.

### **Program Educational Objectives (PEOs)**

The Program Educational Objectives of B.E. Computer Science and Engineering Programme is given below:

#### **Graduates of Computer Science and Engineering Program will**

- PEO 1:** Achieve a successful profession with good knowledge in Computer Science and Engineering to meet the demands of industry.
- PEO 2:** Become morally responsible engineers and contribute to the betterment of society.
- PEO 3:** Possess required skills and leadership qualities which will make them to be a continuous learner.

### **Programme Specific Outcomes (PSOs)**

Graduates of Bachelor of Computer Science and Engineering will have the ability and capability to

- PSO 1:** Apply the acquired knowledge of Mathematics and Computer Science Engineering fundamentals to analyze, design and develop software products or projects.
- PSO2:** Identify and apply the appropriate latest software tools to provide solutions for complex engineering problems.

# DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

## VISION

To achieve academic excellence in the field of Electronics and Communication Engineering and to produce meritorious engineers with human values by imparting high quality technical education

## MISSION

- To create efficient Electronics and Communication Engineers to meet the current and future demands of industry and society with ethical values
- To instill the quality of leadership and entrepreneurship in students

To elevate the spirit of innovation and creativity among students towards research and development

## Program Educational Objectives (PEOs)

### PEO-I: Futuristic Learning:

Graduates will attain excellence in the field of Electronics and Communication Engineering through lifelong learning process by imbibing the new technologies.

### PEO-II: Career Development:

Graduates will become successful engineers or researchers or entrepreneurs with social responsibilities.

### PEO-III: Professionalism:

Graduates will excel as estimable engineers with ethics, effective communication and leadership skills.

## Program Specific Outcomes (PSOs)

### Electronics and Communication Engineering Graduates will be able to:

- PSO1:** Identify, analyze and provide solutions to the complex engineering problems in the areas of communication, networking, signal processing and embedded systems with consideration for the societal needs.
- PSO2:** Apply the contextual knowledge of Electronics and Communication Engineering to design systems containing electrical/electronic devices, software and hardware using modern tools and techniques.

# DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

## VISION

To produce globally competent electrical engineers and researchers to fulfill the technological needs of Society through innovation and product development.

## MISSION

1. To educate graduates with fundamental principles to acquire advanced technical knowledge in domain of electrical and electronics engineering
2. To motivate students to create and develop innovations in electrical engineering.
3. To inculcate moral, societal and ethical values among the faculties and students.

## Program Educational Objectives (PEO)

**PEO 1:** Graduates of the program will have successful technical and professional career.

**PEO 2:** Graduates of the program will reveal life-long learning to enhance technical skills and Managerial Skills for achieving Professional goals.

**PEO 3:** Graduates of the program will undertake responsibilities for societal, environmental and ethical Cause.

## Program Specific Outcomes (PSO)

**PSO 1:** Ability to design and solve problems in the field of Electrical & Electronics Engineering by applying the knowledge acquired from Circuit & Field theory, Control theory, Electric Power Systems, Analog and Digital Electronics & other allied topics.

**PSO 2:** Ability to understand the recent technological developments in Electrical & Electronics Engineering and develop products/software to cater the societal & Industrial needs.

FACULTY MEMBERS

# DEPARTMENT OF INFORMATION TECHNOLOGY

## VISION

To be a center of excellence in the field of Information Technology to solve complex industrial and societal needs.

## MISSION

Imparting strong knowledge to students in recent technologies by organizing various technical events.

1. Providing platform for the students to encourage creativity, team work, leadership quality and social responsibility.
2. Developing the employability and entrepreneurial skills of the students by conducting industry collaborated training.
3. Inculcating the importance of research and higher education through awareness programs.

## Program Educational Objectives (PEOs)

**PEO 1:** Graduates will have strong computing knowledge and they are capable to deliver their technical skills in the field of IT.

**PEO 2:** Graduates will work collaboratively in multidisciplinary environment or run business venture and exhibit high level of professional and ethical values.

**PEO 3:** Graduates will able to pursue higher studies and involve in research activities to adapt themselves to the changing industrial needs.

## Program Specific Outcomes (PSO)

**PSO 1:** To understand, analyze engineering fundamentals, mathematics, database, algorithms, design, analytics and programming skills to develop various applications.

**PSO 2:** Apply modern tools and technologies to develop research and innovative solutions to contribute societal and industrial needs.

FACULTY MEMBERS		
1	Dr.B. Murugeswari, M.E. Ph.D	HOD
2	Dr.M. Suchithra, M.E.,Ph.D	Faculty

# DEPARTMENT OF MECHANICAL ENGINEERING

## VISION

To create technically qualified mechanical engineers to meet the demands of industry and also to fulfill the society needs by research and entrepreneurship through innovative ideas.

## MISSION

1. Preparing efficient and responsible engineers for industry requirements by providing quality education.
2. Encouraging the students to explore their research skills for the career development and higher studies.
3. Empowering students in organizing events to gain experience in team work and leadership qualities.
4. Preparing students for their role as Engineers in the society with an awareness of entrepreneurial, ethical, environmental, economical, safety and quality issues.

## Program Educational Objectives (PEO)

The Program Educational Objectives (PEOs) support and are in consonance with the Mission of the Department. The attempt was to define PEOs as broad based, general statements that describe the career and professional accomplishments that the program is preparing graduates to achieve long term program targets.

**PEO 1:** Graduates will have fundamental knowledge in engineering to deliver technical skills needed in the areas of Production, Design, Thermal, Industrial engineering and allied fields.

**PEO 2:** Graduates will have a successful placement and career in industries besides, pursuing higher studies.

**PEO 3:** Graduates will be able to exhibit skills like entrepreneurial, ethical, communication, team work and life-long learning in their profession to adapt the latest trends.

## Program Specific Outcomes (PSO)

The graduates passing from the department of mechanical engineering are capable of doing

1. Modernize/Automate/Adapt latest technology: - Graduates will be able to design, develop and operate newer mechanical systems or processes using emerging practices to enhance the productivity.
2. Optimization and Sustainability: - Graduates will be able to find sustainable, Cost effective and environmental friendly measures to existing technology.

## DEPARTMENT OF CHEMISTRY

### VISION

To prepare students in Chemistry for tomorrow in the competitive world.

### MISSION

Department of Chemistry is committed to Produce Students who are Knowledgeable in Chemistry through

- Modern Educational Technology
- Research & Development
- Creativity & Novelty
- Entrepreneurship
- Leadership & Team Work

FACULTY MEMBERS		
1	Mr.S. Jagan Raj, M.Sc.,B.Ed.,MLIS., M.Phil.,PGDCA,(Ph.D)	HOD
2	Mr.R. M. Ravindran, M.Sc., M. Phil	Faculty
3	Ms.V.Sheela Violet Rani, M.Sc., M.Phil.,(Ph.D)	Faculty

## DEPARTMENT OF ENGLISH

### VISION

To enhance the potential of the students and help them to reach their desired heights by giving constant language support.

### MISSION

- To emphasize the importance of English and make the students feel confident.
- To use modern and novel tools to teach the students effectively.
- To support the students to attain greater level by providing ample training in TOEFL, IELTS, BEC, GRE and other exams.
- To make the students face the placement with confidence.
- To organize and contact personality development and soft skill programme

FACULTY MEMBERS		
1	Mr.T. Ajith, M.A, M.Phil, (Ph.D)	HOD
2	Mrs. D. Tirzah., M.A.,M.Phil., (Ph.D)	Faculty

5	Mr. S. Somu., M.A., M.Phil., B.Ed.	Faculty

## DEPARTMENT OF MATHEMATICS

### VISION

Making Engineers to develop the mathematical thinking an applying it to solve complex engineering problems, designing mathematical modeling for systems involving global level technology.

### MISSION

- Conduct research that has worldwide impact and recognition;
- Provide learning opportunities of unmatched breadth and depth;
- Produce graduates that are in worldwide demand; and
- Undertake educational outreach and community engagement that increases mathematical and computing literacy nationally and globally.

FACULTY MEMBERS

9	Ms.I.Sahaya Rebacca, M.Sc., M.Phil	Faculty

## DEPARTMENT OF PHYSICS

### VISION

To create Engineers as a dynamic participants in society by enhancing their fundamental knowledge in physics and its applications relevant to various streams of Engineering and Technology

### MISSION

- To develop the ability of the students towards meeting diversified Engineering needs of industries and higher education.
- To adopt innovative, interactive and technology driven teaching.
- To provide a strong foundation and prepare them for placement.
- Stimulating the students towards application of concepts and principles of physics in order to develop research and development culture among students

## STUDENT MENTORSHIP PROGRAMME

“Mentoring is a brain to pick, an ear to listen, and a push in the right direction”.

- John Crosby

The Student Mentor Program is launched at Velammal Institute of Technology to provide a platform for mentees to realize their potential by enabling personal and professional relationships with mentors, who act as role models and provide guidance to them. It offers opportunities to develop business contacts, access industry information, and gain valuable insights from experienced and successful professionals.

The goal of student mentoring is to help students involved in the mentoring program to gain the skills and confidence to be responsible for their own futures. The Student Mentor Program is run by participation of faculty members of Velammal Institute of Technology.

### THE ROLES OF FACULTY MENTORS

1. Meet 20 students each week and assist them in planning and also help them later as per the need raised by the Students.
2. Address the issues, such as home-sickness, depression and time management.
3. Develop a cordial environment for the students and make possible a smooth transition of life in the college campus.
4. Provide feedback to the management on matters that are affecting the students.
5. Continually assess the student issues and plan appropriate programs and activities for their welfare.
6. Document all inappropriate behaviours of 20 students and consult the Principal on the disciplinary issues about them.
7. Meet students who are facing difficulties, whenever needed.
8. Plan activities throughout the year for the 20 students to get them involved in the college. The activities should focus on various aspects of life in the campus, including time management, communication, and team work.

*Sometimes people don't notice the things others do for them until they stop doing them.*

## SYSTEM OF EXAMINATION

Performance in each course of study shall be evaluated based on

- i. Continuous internal assessment throughout the semester and
- ii. A university examination at the end of the semester.

Each course, both theory and practical shall be evaluated for a maximum of 100 marks. For all theory and practical courses the continuous internal assessment will carry 20 marks while the university examination will carry 80 marks. The Internal marks will be awarded to the students purely based on their performance in each of the internal examinations and their attendance & conduct in regular classes. The university examination (both theory and practical) will be conducted between November - December for odd semester and April – May for even semester respectively.

At present, the Anna University is awarding the grades and for details please see [www.annauniv.edu](http://www.annauniv.edu).

Students indulging in malpractice will be sent out from the examination hall and disciplinary action will be initiated against them.

## PASSING REQUIREMENTS

A candidate, who secures not less than 50% of total marks prescribed for the courses with minimum of 45% of the marks prescribed for the 'end semester university examination' in both theory and practical examination, shall be declared as passed in the examination.

### REGULATION 2013

If a candidate fails to secure a pass mark in a particular course, it is mandatory that he/she shall register and reappear for the examination in that course during the next semester.

He / She should continue to register and reappear for the university examination until he/she secures a pass mark.

Internal exams minimum passing mark is 60% .

### REGULATION 2017

If a candidate fails to secure a pass mark in a particular course, it is mandatory that he/she shall register and reappear for the examination in that course during the next year only.

He / She should continue to register and reappear for the university examination until he/she secures a pass mark.

Internal exams minimum passing mark is 70%

## Notes

## RULES & REGULATIONS FOR PREVENTION AND PROHIBITION OF RAGGING

The All India Council For Technical Education (AICTE), New Delhi vide its Notification no. 37-3/Legal/AICTE/2009 dated 25-03-2009 has taken a very serious view of ragging incidences in educational institutions and on Directions of the Hon'ble Supreme Court of India vide its Order dated 16.5.2007 has ordered strict implementation of following rules & regulations for prevention and prohibition of Ragging in technical Institutions.

The Hon'ble Supreme Court has, inter-alia, mentioned the following types of ragging:-

1. Ragging has several aspects with, among others, psychological, social, political, economic, cultural, and academic dimensions.
2. Any act that prevents, disrupts or disturbs the regular academic activity of a student should be considered within the academics related aspect of ragging; similarly, exploiting the services of a junior student for completing the academic tasks assigned to an individual or a group of seniors is also an aspect of academics related ragging prevalent in many institutions, particularly in the technical institutions.
3. Any act of financial extortion or forceful expenditure burden put on a junior student by senior students should be considered an aspect of ragging for bragging economic dimensions.
4. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestured, causing bodily harm or any other danger to health or person can be put in the category of ragging with criminal dimensions.
5. Any act or abuse by spoken words, emails, snail-mails, blogs, public insults should be considered within the psychological aspects of ragging. This aspect would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to others; the absence of preparing 'fresher's in the run up to their admission to higher education and life in hostels also can be ascribed as a psychological aspect of ragging – coping skills in interaction with seniors or strangers can be imparted by parents as well. Any act that affects the mental health and self-confidence of students also can be described in terms of the psychological aspects of ragging.
6. The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

## ACTIONS TO BE TAKEN AGAINST STUDENTS FOR INDULGING AND ABETTING IN RAGGING IN TECHNICAL INSTITUTIONS IMPARTING TECHNICAL EDUCATION

1. The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents. The students who are found to be indulged in ragging should be debarred from taking admission in any technical institution in India.
2. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
3. Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following.
  - (i) Cancellation of admission /Suspension from attending classes
  - (ii) Withholding/withdrawing scholarship/fellowship and other benefits
  - (iii) Debarring from appearing in any test/examination or other evaluation process.
  - (iv) Withholding results
  - (v) Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
  - (vi) Suspension/expulsion from the hostel
  - (vii) Rustication from the institution for period ranging from 1 to 4 semesters
  - (viii) Expulsion from the institution and consequent debarring from admission to any other institution.
  - (ix) Fine of Rupees 25,000/-
  - (x) Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.
4. The institutional authority shall intimate the incidents of ragging occurred in their premises along with actions taken to the Council immediately after occurrence of such incident and inform the status of the case from time to time.
5. Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.
