1.	Karthikeyan .R	International Conference on Smart Sensor System	Peak Load Reduction in Micro Smart Grid using Non intrusive Monitoring and Hierarchical Load Scheduling.	21/12/2015 to 23/12/2015	M.S. Ramaiah Institute of Technology, Bangalore.
2.	Alexander Jeevanandham .Y Nareshkumar .K	Workshop	Research Methodologies	23/01/2016	Velammal Engineering College.
3.	Karthikeyan .R Alexander Jeevanandham .Y Kaliagurumoorthi .K	National Conference on Power and Renewable Energy System	Coordination and control of solar wind hybrid system for remote telecom tower	29/01/2016	Velammal College of Engineering and Technology.
4.	Vivek .P	National Conference on Power and Renewable Energy System	Design Of Reversible Voltage Source Inverter For Hybrid Energy Systems	29/01/2016	Velammal College of Engineering and Technology.
5.	Nanda Gopal .J Vivek .P	Seminar	Research methodology with emphasis on engineering science	30/01/2016	Excel College of Engineering and Technology.
6.	Nanda Gopal .J Vivek .P	IEEE International Conference on Electrical Energy Systems	A novel approach on Power Quality Improvement by Multi – carrier Multilevel Inverter Topology	17/03/2016 to 19/03/2016	SSN College of Engineering

7.	Bhavani .G Jayalathsumi .U Rajakumari .B	International Journal	Zigbee Based Advanced Food Storage Yards with Automated Control	Vol 24, Issue 3	International Digital Organization for Scientific Information - MEJSR
8.	Vivek .P	IEEE International Conference on Energy Efficient Technology for Sustainabilit y	A novel approach on MPPT algorithm for Solar Panel using Buck – Boost Converter	07/04/20 16	St.Xavier's Catholic College of Engineering, Nagerkoil
9.	Vivek .P	Short term course	Photovoltaic interconnection schemes and MPPT implementation	27/05/20 16 & 28/05/20 16	NIT, Trichy
