Event Summary (Descriptive Information about the event):

The coding debugging activity was conducted on 10th august 2022 for the students of II ECE. The students were formed of multiple groups and each group was given with few matlab codings. The aim was to find the error in the given coding. The students were interested in this activity and debugged all the errors in the coding. Based on the speed and accuracy of debugging the groups were shortlisted and finally one group was declared as winner.
