Department of Electronics and Communication Engineering
Velammal Institute of Technology, Ponneri

Vision of the Institute

To be a leader in imparting quality technical education, research and enterprising skills in pursuit of professional excellence

Mission of the Institute

- To promote quality education & technical skills to meet the industry requirements
- To incorporate team work, leadership skills & lifelong learning
- To facilitate career development & higher education assistance
- To encourage innovative ideas for research & development and entrepreneurship for societal needs
- To inculcate ethical responsibility & human values

Vision of the Department

To achieve academic excellence in the field of Electronics and Communication Engineering and to produce meritorious engineers with human values by imparting high quality technical education

Mission of the Department

- To create efficient Electronics and Communication Engineers to meet the current and future demands of industry and society with ethical values
- To instill the quality of leadership and entrepreneurship in students
- To elevate the spirit of innovation and creativity among students towards research and development

Program Educational Objectives (PEOs)

PEO-I: Futuristic Learning:

Graduates will attain excellence in the field of Electronics and Communication Engineering through lifelong learning process by imbibing the new technologies.

PEO-II: Career Development:

Graduates will become successful engineers or researchers or entrepreneurs with social responsibilities.

PEO-III: Professionalism:

Graduates will excel as estimable engineers with ethics, effective communication and leadership skills.

Message From HoD Desk

I am pleased to announce that the Department of Electronics and Communication Engineering has published its Newsletter for the Academic Year 2021-22 (JAN 2021- DEC 2022), which details the different activities and accomplishments of our teachers and students. The department endeavors to produce confident professionals tuned to real time working environment. The department provides an exceptional academic atmosphere with a team of highly qualified faculty members to motivate students to improve their technical abilities and foster a sense of teamwork. Highly skilled faculty members to motivate students to improve their technical skills and instil a teamwork ethic in them.

My dear students and faculty Compete yourself with you and try to be one step ahead what you did before. The journey of life is not that easy, it is true, but you can make it smoother with your talent and efforts. Good luck for your future life.

- **Dr. B. SRIDEVI**

Quiz Competition

On behalf of Department of ECE, On 09.05.2021 we organized a Quiz competition for 12th class students through online mode successfully. In this regard an inaugural function was held at 11 AM. Department HOD Dr.B.Sridevi gave a brief presentation about college and department. Also Alumni's from previous batches shared their experience and views about department and college. With 200 participants registering for the event and nearly 100+ students participated in quiz contest. Winners won cash prizes and certificates and other participants received participant certificates.
