

'Edex' Education Expo was the main draw among students

The three-day mega event 'Edex' Education Expo concluded on Saturday evening with over 10,000 visitors and exhibitors throughout its three-day tenure from February 13th and 14th in Chennai. The eight-day-long event system from reputed educational institutions, foreign education consultants and all round producers, students showed up in droves to check out the exhibits put up by universities and colleges, many even opting to know the opportunities that were in store for higher education and career prospects. Students who visited the expo were provided with ample

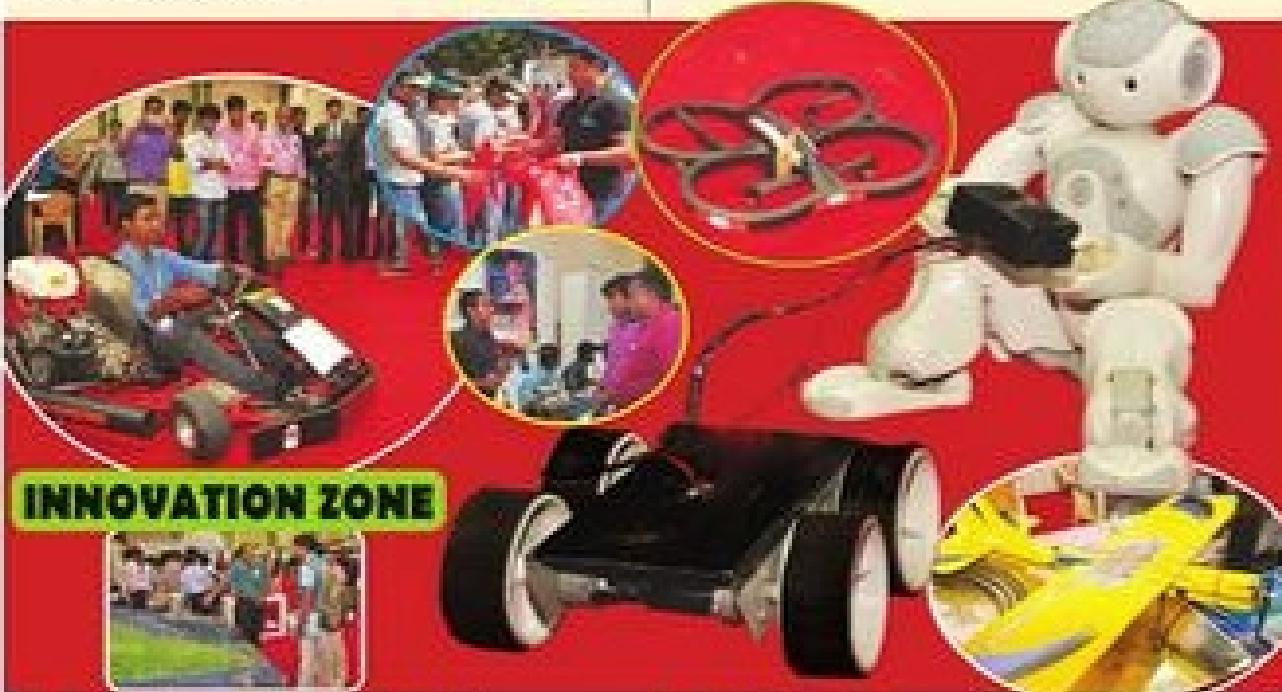

Another interesting aspect was the 'Innovation zone' where the young minds showed up their innovative work that ranged from robotics, infrastructure, environment and social sector areas. Government organizations such as Indian Council of Technical Education and Directorate of Higher Education participated by displaying working models and posters to educate the visitors. Career opportunities in Coast guard for both men and women were explained by Commodore Balendra Nath in the expo.

T. Venkateswaran, Dean of Directorate of Higher Education explained the role and objectives of higher education in creating manpower and the influence of higher education during the country's growth.

Also one of the professionals who gave materials to students regarding the use of objects and machines flying objects also participated. Mr. Prakash explained, "Using such objects requires constant attention of mind, effort and logic" such that the flying objects are in flow of sight in the air. The safety parameters are well taken care before the students instruments and other factors to mind. Architects and professionals from various fields believe students about how flying in the sky make controlled objects.

Edex Education Expo is jointly organized by The New Indian Express and VIT-Vellore, with Annaikudi College of Engineering, Ad. Nager, Dr. MGR University, Madras Medical Mission College of Nursing, Institutions, Kanchipuram.
