Event Report 2023 – 2024 ODD SEMESTER

Title of the Event	: Workshop on Road Safety Awareness
Resource Person	: Mr. K. Jeevanandham Assistant Engineer (Retired) Tamilnadu State Transport Corporation
Date	: 25.07.2023 (10.00 am to 3.00 pm)
Session Type	: In Campus
Venue	: Seminar Hall, IIIrd Floor, Velammal Institute of Technology
Event Coordinator	: Mr. R. Raja, Asso. Prof./CSE
Conveners	: Dr. D. Magesh Babu, HoD/MTS Dr. S. Kaliappan, HoD/Mech Dr. S. Muthukaruppasamy, HoD/EEE Dr. P. Deivendran, HoD/IT

Report on One Day Workshop on “Road Safety Awareness”

Velammal Institute of Technology NSS unit has organized a Workshop on Road Safety Awareness to the students. The Workshop on Road Safety Awareness for Students was a vital event organized to educate and empower young individuals about the importance of road safety. The objective of the workshop was to equip students with essential knowledge, skills, and attitudes to become responsible road users. The workshop commenced with dynamic and visually appealing presentations designed to capture the students' attention.

The presentations covered topics such as road safety statistics, common causes of accidents, and the consequences of reckless driving and more. To encourage active participation, interactive discussions were held throughout the workshop. Students were encouraged to share their experiences, insights, and concerns related to road safety. The Workshop on Road Safety Awareness for Students was a resounding success. The students actively participated in the activities and demonstrated a keen interest in understanding road safety concepts. By equipping young minds with the knowledge and importance of road safety, we hope to cultivate a generation of responsible and safety-conscious road users. The impact of the workshop is expected to go beyond the event itself, as the students are now better prepared to make informed decisions and promote road safety within their social circles.
