## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

# SPARK

## NEWS LETTER

## ACADEMIC YEAR 2024-2025

# Editor's Note.....

2

Dear Readers,

On behalf of Velammal Institute of Technology, It gives me an immense pleasure to release another issue of SPARK, Newsletter of Department of Electrical and Electronics Engineering. The experience of being Editor-in-Chief to this issue has been as exciting and entertaining as it was enlightened. This newsletter brings out the achievements of our Electrical and Electronics Engineering students and faculties in curricular, co-curricular and extra-curricular domains.

incredibly congratulates department faculty members, who all worked as team to furnish all details in perfect shape. This edition is, in essence, an amalgamation of the refreshing ideas and efforts of numerous competent writers and designers from the Department of Electrical and Electronics Engineering of our college.

**Dr. N. Balaji**  
**Principal**

## Editor's Note.....

3

Dear Readers,

On the behalf of Velammal Institute of Technology, I am delighted to release to you SPARK, a newsletter that radiates the glimpses in the department of Electrical and Electronics Engineering. This newsletter evidences the achievements, participation and outcomes of our departmental activities. Also this letter creates a forum space to all budding engineers to exchange their ideas.

I hope that this newsletter gives you a better view and info graphics on how our department creates the roadmap of technical and non-technical excellence. I would like to thank entire team, who have worked tirelessly to ensure this newsletter is exemplary in content and design.

A handwritten signature in green ink, consisting of the letters 'S.' followed by a stylized, cursive flourish.

**Dr. S. Soundararajan**  
**Vice-Principal**

# HOD Note.....

Dear Readers,

4

From the inception, EEE Department makes an effort to enlighten the students about the latest innovations in global way. Various activities and events had helped the students to build up their leadership qualities and societal innovation. Our Faculty members and Students are diverse and participate in many interdisciplinary initiatives.

EEE has understood its role and continually upheld the values and principles of Electrical Engineering profession. It is indeed a pleasure to see the progress of Electrical Engineering Students at a time when the country is moving ahead with significant development plans in the Electrical Energy Sector. With both great technical and human skills, our students and faculty are unique and standout. I wish them all the very best for future endeavors.

A handwritten signature in black ink on a white background. The signature is cursive and appears to read 'S. Muthukaruppasamy'.

**Dr. S. Muthukaruppasamy**  
**Head of the Department**

## **Institute Vision**

To be a leader in imparting quality technical education, research & enterprising skills in pursuit of professional excellence.

## **Institute Mission**

- To promote quality education & technical skills to meet the industry requirements.
- To incorporate team work, leadership skills & lifelong learning.
- To facilitate career development & higher education assistance.
- To encourage innovative ideas for research & development and entrepreneurship for societal needs.
- To inculcate ethical responsibility & human values.

## **Vision of the Department**

To produce highly competent Electrical Engineers and Researchers to fulfil the technological needs of society through innovation and product development.

## **Mission of Department**

- To educate graduates with fundamental principles to acquire advanced technical knowledge in domains of Electrical and Electronics Engineering.
- To provide a progressive environment for innovative creations and rigorous practical training through creative activities in conventional and thrust areas of Electrical and Electronics Engineering.
- To inculcate Societal and Ethical values among the faculties and students.

# TEAM MEMBERS

## Editors-in-Chief

Dr. N. Balaji, Ph.D.,

Principal, Velammal Institute of Technology

Dr. S. Soundararajan, Ph.D.,

Vice - Principal, Velammal Institute of Technology

## Associate Editor

Dr S Muthukaruppasamy., Ph.D.,

Professor & Head

Ms C Krithika kamalam, M.E.,

Assistant Professor / EEE

Velammal Institute of Technology

## Editors

Mr K Kaliagurumoorthi., M.E.,(Ph.D), Associate Professor

Dr J Nandha Gopal., Ph.D., Associate Professor

Mr P Vivek.,M.E., (Ph.D).., Assistant Professor

Ms.G.Bavani., M.E., (Ph.D).., Assistant Professor

Dr R Karthikeyan., Ph.D., Assistant Professor

Mr V Subramaniyan.,M.E., (Ph.D).., Assistant Professor

Ms G Selvamathi., M.E., Assistant Professor

## Student Coordinators

Mr P Sridhar , III Year EEE

Mr A R Sanjay , III Year EEE

Mr MVivek, III Year EEE

## ICCII 2025 – Sixth International Conference on Computational Intelligence and Industry 5.0

The Department of Electrical and Electronics Engineering of Velammal Institute of Technology organized the *6th International Conference on Computational Intelligence and Industry 5.0 (ICCII 2025)* on 21.03.2025. The conference commenced with *Tamil Thai Vazhthu* and the traditional Lighting of the *Kuthuvilakku*. Dr. D. Magesh Babu, HOD – Mechatronics, welcomed the gathering, and Dr. M. S. Heaven Dani, HOD – Mechanical, presented the session on ICCII 2025, outlining future goals in computational intelligence. A Felicitation Ceremony honored distinguished guests, followed by the Presidential Address by Dr. N. Balaji, Principal, who emphasized the vital role of academia–industry collaboration in shaping Industry 5.0. The conference provided a dynamic platform for researchers, faculty, and students to exchange knowledge and innovations in this emerging field.

# Xemplar'25 – National Level Technical Symposium

The Department of Electrical and Electronics Engineering at Velammal Institute of Technology successfully organized its National Level Technical Symposium – *Xemplar'25*. The event provided a vibrant platform for students across institutions to showcase their technical expertise, creativity, and competitive spirit.

The symposium witnessed active engagement from students, fostering knowledge sharing, teamwork, and innovation. *Xemplar'25* not only celebrated technical excellence but also encouraged holistic growth and interaction among budding engineers.

# Glimpse of Xemplar'25 – National Level Technical Symposium

# Guest Lecture on Linear Integrated Circuits and Applications

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology organized an Expert Talk on “Linear Integrated Circuits and Applications” on 03.05.2025 for II and IV year EEE students. The session was delivered by Dr. Y. Sukhi, Professor, RMK Engineering College, who discussed the fundamentals and applications of LICs such as op-amps, comparators, voltage regulators, and filters. He highlighted their role in signal processing, communication, instrumentation, and control systems, along with industrial uses in power electronics, biomedical instrumentation, and automation. The lecture enhanced students’ technical knowledge and exposure to practical applications.

## Interactive Session on Go Green

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology conducted an Expert Talk on “Go Green” on 25.02.2025 for all EEE students at the seminar hall. The lecture was delivered by Mr. Janakiramaiah Sitaraman, Senior Finance and Accounts Professional, GAIL India, and Ms. Priya Jemima, Founder of GEO India Foundation. The session emphasized the importance of sustainable practices, renewable energy utilization, and environmental conservation for future generations. The speakers highlighted real-time initiatives for reducing carbon footprints, adopting green energy technologies, and creating awareness on eco-friendly practices in both industrial and domestic sectors. The lecture motivated students to adopt green habits and enlightened them about career prospects in the field of sustainable energy and environmental management.

# Exploring Growth Prospects : A Core Industry Expert's Insights with students

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology conducted an Expert Talk on “Exploring Growth Prospects: A Core Industry Expert's Insights with Students” on 17.02.2025 for II and III year EEE students at the seminar hall. The lecture was delivered by Mr. Harutoshi Takagi, Managing Director, Usui Susria International Pvt. Ltd., Mahindra World City, Ponneri. The session focused on growth opportunities in the core industry sector, upcoming industrial trends, and skill development needed to meet industry demands.

Dr. M. S. Ramesh Babu - HOD/Mechatronics | Dr. S. Subramanyam - HOD/EEE | Dr. D. Megala Babu - HOD/Mechatronics  
Dr. S. Srinivasan - Vice Principal | Dr. R. Raju - Principal

# An Expert Talk on High Voltage Engineering

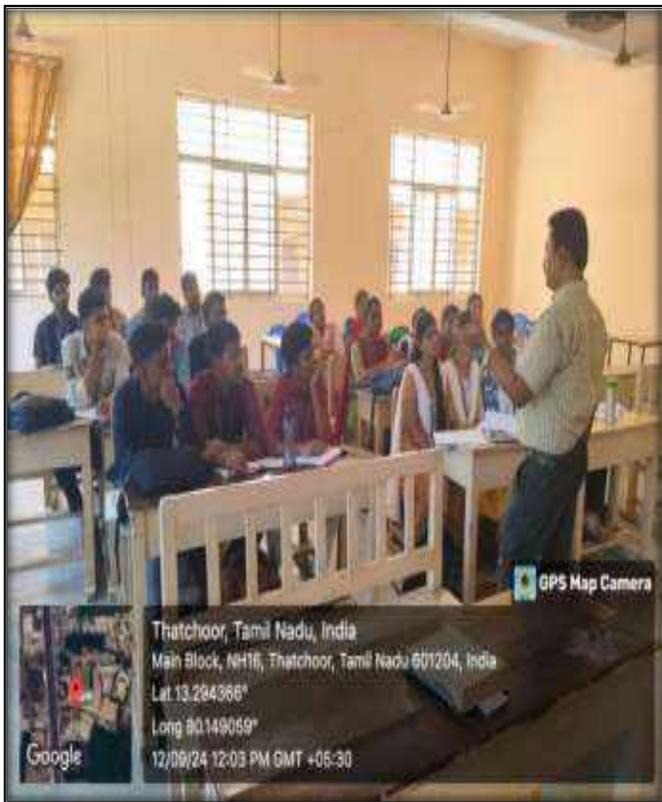

The Department of Electrical and Electronics Engineering organized a guest lecture on October 4, 2024, on the topic of "High Voltage Engineering," featuring Dr. S. Raghuraman, Associate Professor at Velammal Engineering College. Dr.s.Raghuraman discussed the critical aspects of high voltage technology, focusing on power transmission, equipment design, and the latest advancements in safety and insulation. The session was both informative and engaging, offering students a broader perspective on the importance of high voltage engineering in today's evolving electrical industry.

# An Expert Talk on Control Systems

The Department of Electrical and Electronics Engineering organized a guest lecture on September 4, 2024, on the topic of "Control Systems," featuring Dr.G.Shanmugaraj, Associate Professor at Velammal Institute of Technology. The session explored the core principles of control systems, including system modeling, feedback loops, and stability criteria.

Dr.G.Shanmugaraj also introduced 3rd-year EEE students to advanced topics like adaptive and nonlinear control, encouraging them to think about how these systems impact innovations in modern engineering.

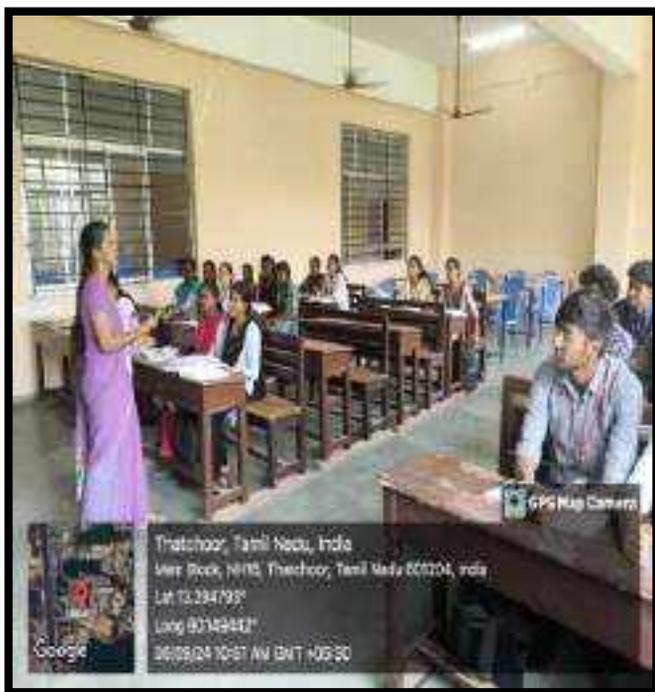

# Insightful Lecture on Communication Assessment

The Department of Electrical and Electronics Engineering organized a guest lecture on September 13, 2024, on the topic of "Communication Assessment," featuring Mr.S.Somu, Assistant Professor in the Department of English, Velammal Institute of Technology. The session was designed for 4th-year EEE students and focused on improving communication skills essential for professional growth. Mr.S.Somu highlighted key aspects of effective communication, including verbal and non-verbal cues, presentation techniques, and the importance of clear articulation in technical fields. The lecture provided students with valuable insights to enhance their communication abilities in academic, industrial, and professional settings.

# An Expert Talk on Electromagnetic Fields

The Department of Electrical and Electronics Engineering organized a guest lecture on **September 6, 2024**, on "**Electromagnetic Fields**," delivered by **Dr. K. Menaka**, Associate Professor at Velammal Institute of Technology. The session, aimed at **2nd-year EEE students**, covered the fundamental concepts of electromagnetic theory, including Maxwell's equations, electric and magnetic fields, and their applications in electrical devices. Dr. Menaka also highlighted the importance of these principles in modern technologies like motors, transformers, and communication systems. The lecture provided students with a solid foundation in understanding electromagnetic fields and their role in engineering.

# VAGANZA 2025

The Department of Electrical and Electronics Engineering organized its annual cultural event, Vaganza 2025, on 7th March 2025. The event provided a vibrant platform for students to showcase their talents through dance, music, and stage performances. The cultural activities not only highlighted the creativity and enthusiasm of the participants but also fostered a spirit of togetherness within the department. The celebration concluded with the distribution of awards, recognizing outstanding performances and contributions.

## INDUSTIAL VISIT

<b>S.No</b>	<b>Year</b>	<b>Name of the Industry</b>	<b>Date of Visit</b>
1	III&II	Tamilnadu Smart and Advanced Manufacturing Centre(TANSEM)	22.10.2024
2	III&II	Combat Vehicles Research and Development Estt (CVRDE)	22.01.2025
3	II	Vande Bharat Express,chennai	19.02.2025
4	II&III	RENWX EXPO	25.04.2025

# Industrial Visit to TANSEM

The EEE Department organized an industrial visit for II & III year students to the Tamilnadu Smart and Advanced Manufacturing Centre (TANSEM) on 22.10.2024. During the visit, students explored advanced manufacturing technologies, industrial automation systems, robotics, and smart industry practices. The experience helped them understand the role of digital manufacturing and Industry 4.0 in modern engineering, strengthening their practical knowledge and industry readiness.

# **Industrial Visit to Combat Vehicles Research and Development Estt(CVRDE)**

The Department of Electrical and Electronics Engineering organized an industrial visit to the Combat Vehicles Research & Development Establishment (CVRDE) on 22nd January 2025. CVRDE is renowned for its research in developing advanced combat vehicles and integrated electronic systems. During the visit, students learned about the design, testing, and development of propulsion units, onboard electronics, and weapons systems. The visit emphasized the role of electrical and electronics engineering in enhancing defense technologies and indigenization efforts. This experience enriched students' practical knowledge and encouraged them to contribute to defense innovation and engineering excellence.

# Industrial Visit to the Chennai Trade Centre Renewx 2025

The Department of Electrical and Electronics Engineering organized an industrial visit to **Renewx2025** at the **Chennai Trade Centre, Nangambakkam** on **April 24, 2025**. The visit aimed to provide **EEE students** with hands-on exposure to the latest advancements in renewable energy technologies. Students explored various exhibits showcasing solar, wind, and energy storage solutions from leading industry players. The visit helped students gain practical insights into the growing field of renewable energy and its applications in the modern electrical industry. The event provided valuable knowledge about sustainable energy solutions and their role in shaping the future of power generation.

# Industrial visit on Vande Bharat Express

On 19th February 2025, the Department of Electrical and Electronics Engineering organized an industrial visit focused on the **Vande Bharat Express**, India's first indigenous semi-high-speed train. The visit provided students with valuable exposure to advanced railway technologies and real-time engineering applications.

During the visit, students explored key systems such as propulsion technology, electrical control units, regenerative braking, and safety mechanisms. Industry professionals shared detailed insights into the train's design, automation features, and the role of the *Make in India* initiative in its development.

Such visits are integral to the department's focus on experiential learning, enabling students to stay aligned with current industry practices and technological innovations.

## Alumini Activities

<u>S.No</u>	Name of Organising Event	Date of organising Event	Target Audience	Name of Coordinator
1	Alumni Interaction on Mock Interview Sessions	14.09.2024	IV Year	Mr P Vivek & Mr V Subramaniyan
2	Alumni Interaction On Campus to Corporate	03.05.2025	III year	Mr.P.Vivek
3	Alumni Talk on Moving from Academia to Industry	31.08.2024	II & III Year	Mr.P.Vivek

# **Alumni Interaction on Mock Interview Sessions**

The Department of EEE organized a Mock Interview Session for final-year students on 14.09.2024. The session was facilitated by distinguished alumni Mr. A. Sunilkumar, Mr. D. Dharmendra, and Mr. K. Jaganath from the 2014–2018 batch.

During the program, the alumni simulated real interview scenarios, helping students to gain practical exposure to technical and HR rounds.

The interactive session enabled students to identify their strengths and areas of improvement while receiving personalized feedback. This initiative not only boosted students' preparedness for campus placements but also strengthened the bond between alumni and the department.

# Alumni Interaction On Campus to Corporate

The Department of EEE organized an Alumni Interaction on the theme “*On Campus to Corporate*” on 31.08.2024. The session was conducted for III and IV year students, with 51 participants attending.

The alumnus shared real-time experiences on transitioning from college life to the corporate world, emphasizing the skills and mindset required to excel in industry. Key points included workplace adaptability, communication, problem-solving, and continuous up skilling.

The interactive session gave students a clear perspective on career readiness and inspired them to prepare for the challenges of corporate culture. It also served as a platform to strengthen alumni–student bonding.

# Alumni Talk on Moving from Academia to Industry

An Alumni Talk on “Moving from Academia to Industry” was organized by the Department of EEE on 31.08.2024, targeting III and IV year students. A total of 51 participants attended the session. The talk was delivered by an esteemed alumnus, who shared valuable insights on transitioning from academic learning to professional life.

The session highlighted the skills required to bridge the gap between classroom knowledge and industrial applications, with emphasis on adaptability, problem-solving, and continuous learning.

## **Club activity**

<b>S.No</b>	<b>Name of the Activity</b>	<b>Under Which Club</b>	<b>Date</b>	<b>Target</b>
1	Boys –Volley Ball, Girls-Throw Ball	Sports Club	22.08.2024	II & III Year EEE Students
2	Assembling and Disassembling the Water Heater	Assembling and Disassembling Club	27.08.2024	III Year EEE Students
3	Boys –Cricket, Girls-Throw Ball	Sports Club	12.09.2024	II & III Year EEE Students
4	Poster Designing in Canva	Design Club	20.02.2025	II Year EEE Students

## **Boys –Volley Ball, Girls-Throw Ball**

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology, organized a Sports Event on 22.08.2024 for II and III year EEE students. The event featured a Volleyball match for boys and a Throw Ball match for girls, conducted under the guidance of the Sports Club. The competitions aimed to promote physical fitness, team spirit, and sportsmanship among students. Participants enthusiastically showcased their athletic skills, coordination, and strategic play. The event fostered camaraderie, provided a refreshing break from academics, and encouraged a healthy and active lifestyle among students.

# Assembling and Disassembling the Water Heater

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology, organized a hands-on session on "Assembling and Disassembling the Water Heater" on 27.08.2024 for III year EEE students. The session was conducted by the Assembling and Disassembling Club to provide practical exposure to electrical appliance mechanisms. Students were guided through the step-by-step process of dismantling a water heater, understanding its internal components, and reassembling it safely. The activity enhanced their technical skills, understanding of heating systems, and awareness of electrical safety practices. It served as a valuable learning experience linking theoretical knowledge with real-world application.

## Boys –Cricket, Girls-Throw Ball

The Department of Electrical and Electronics Engineering, Velammal Institute of Technology, organized an engaging sports event on 12.09.2024 for II and III year EEE students. The Sports Club hosted a cricket match for boys and a throw ball match for girls, encouraging students to showcase their athletic skills and team spirit. The event aimed to promote physical fitness, healthy competition, and camaraderie among the participants. Both matches were filled with enthusiasm and sportsmanship, providing a refreshing break from academic routines and fostering a sense of unity within the student community.

# Poster Designing in Canva

The Department conducted a Design Club activity on “*How to Design a Poster in Canva?*” on **20th February 2025 (1.30 PM – 3.15 PM)** for the II Year EEE students. The session enabled students to design and download posters in multiple formats (JPG, PNG, PDF) and to explore creating or sourcing design assets such as icons, images, and illustrations, thereby enhancing their creativity and design skills.

## Faculty Participation

# MSME Project Funding – Supporting Student Innovation

The Department of Electrical and Electronics Engineering proudly announces that student **M. Sowmiya (Batch 2022–2026)**, under the guidance of **Ms. G. Bavani**, has received a **MSME grant of ₹15,00,000** under the **MSME Idea Funding Scheme**.

The funding will support the development of her innovative project titled **“Street Light Monitoring System,”** showcasing her technical skills and creativity. This achievement reflects the department’s commitment to fostering research, entrepreneurship, and real-world problem-solving among students.

Sl. No.	Category	Project Name	Team Lead	Team Members	Project Description	Start Date	End Date	Project Status

# Niral Thiruvizha Project Funding – Celebrating Innovation

The Department of Electrical and Electronics Engineering proudly congratulates our student team — **Jayabalan S, Venkat Ragavan D, and Vijay Ganesh** — mentored by **Dr. Subramaniam V**, for their remarkable achievement in the *Niral Thiruvizha 2.0* initiative (2024–2025).

Their project, titled “*Smart Seat Monitoring and Live Tracking System for Government Buses,*” was awarded a funding support of **₹10,000** by **AU TNSDC**. Notably, the team’s innovative work was also shortlisted among the **top 150 teams across Tamil Nadu**, showcasing the creativity and technical excellence of our students.

This achievement stands as a testament to the department’s commitment to fostering innovation, entrepreneurship, and real-world problem-solving among budding engineers.

# Professional Society Activities

A Professional Society (also called a professional association, organization, or body) is a group formed to bring together individuals who work in the same profession, discipline, or field of study. These societies play a key role in professional development, networking, standard setting, and knowledge sharing.

## Faculty Membership and Events

S.No	Event	Year	Date
1	Bicycle Design Challenge	2025	25.05.2025

<u>S.</u> <u>No</u>	Name of the faculty	Designation	Joined membership Society(SAE/ Robotics India/ISTE/IEE/IEEE/IETE /ACM/CSI)	Until the end of degree/1 year member
1	Dr.S.Muthukaruppasamy	Professor and Head	SAE	1 Year
2	Dr.R.Karthikeyan	Assistant Professor	SAE	1 Year

## Students Membership List

<u>S.N</u> <u>o</u>	Name of students	Dept/Year	Joined membership Society(SAE/Robotics India/ISTE/IEE/IEEE/IETE/ACM/CSI)	Until the end of degree/1 year member
1	Harish	IV EEE	SAE	1 Year
2	Kamalesh	IV EEE	SAE	1 Year
3	Elanchezian	IV EEE	SAE	1 Year
4	PraveenKumar	IV EEE	SAE	1 Year
5	Ingarsal	IV EEE	SAE	1 Year
6	Mageshwar	IV EEE	SAE	1 Year
7	Hemambika	IV EEE	SAE	1 Year
8	Monisha	IV EEE	SAE	1 Year
9	Karishma	IV EEE	SAE	1 Year
10	Jeevitha	IV EEE	SAE	1 Year

<b><u>S.N</u></b> <b><u>o</u></b>	<b>Name of students</b>	<b>Dept/Year</b>	<b>Joined membership Society(SAE/Robotics India/ISTE/IEE/IEEE/IETE/ACM/CSI)</b>	<b>Until the end of degree/1 year member</b>
11	Lathika saran	IV EEE	SAE	1 Year
12	Hari Priya	IV EEE	SAE	1 Year
13	Harshitha	IV EEE	SAE	1 Year

# Bicycle Design Challenge

The Departments of Electrical & Electronics Engineering jointly conducted a two-day workshop titled “Bicycle Design Challenge” under SAE India on 24th and 25th May 2025. The event witnessed enthusiastic participation from students across Tamil Nadu, Kerala, Maharashtra, Karnataka, Andhra Pradesh, and Telangana, providing them with a platform to showcase creativity, teamwork, and technical design skills.
